From the West

Greetings from the West my Brethren.

As I write this monthly message, I am on a plane to bring my children to visit my first known home and city I grew up in Forest Hills, N. Y.

Though my home for the last 33 years is Coral Springs, FL. New York is always deep in my heart and thoughts. As people say, you can always take the man out of the city, but never his heart and great childhood memories. Though I am proud of being a Floridian, New York will always be close to my heart.

Thank you to all our Brothers that were involved in our recent Master Mason Degree working together made it a successful one. Congratulations to our newly raised Brothers. I look forward to sitting in Lodge with you all and working with each of you in our future endeavors.

April has been an active month for our Lodge and besides our successful Master Mason Degree, we also enjoyed a successful picnic event. Thank you to our Brother Junior Warden and all that had helped make it successful.

In May, we have many more exciting events to look forward to. We have a Pre-Mother's Day breakfast planned for May 12th to show appreciation to the special ladies in our lives. Come welcome our new Brothers and show support to our dedicated and hard working degree team on May 14th, as we confer an Entered Apprentice Degree. On May 29th, come join all our Brothers, as the Grand Lodge of Florida holds our 189th Grand Lodge Communication. This is definitely a must, as it is the largest opportunity to fraternize not only with the Brethren of our district, but all the Brothers from Florida. Want to see Masonic history first hand, up close? Come see Brother Grand Master George Washington's gavel. This amazing gavel will be on display and escorted by our Brothers from Potomac Lodge No. 5 of Washington D.C.

As we are about to land in my old home, New York I look forward to seeing you all soon!

May God bless you all with good light good health and happiness, and wishing all our Ladies a Wonderful Mother's Day.

Fraternally, Claudio F. Kletsel P.M.

From The South

Greetings from the South

April was an exciting month for the brothers of Roe Fulkerson Lodge and we are looking forward to another great month in May. Thank you all for your participation at our Annual Picnic! It was a memorable, fun-filled day for our members, families and friends. We are also fortunate to have five new Master Masons in our Lodge and we look forward to working with them.

May will be another busy, but exciting month for us. We will be having two Stated Meetings, an Entered Apprentice Degree, the Grand Lodge Communication and will also be hosting a breakfast event to celebrate Mother's Day.

Our Mother's Day Breakfast will be held at the Lodge on Saturday May 12th from 10:00 a.m. to high noon. Donations for this event would be \$5.00 for adults and children under 12 are free. We look forward to hosting another fun event for our families and friends. Please save the date on your calendars and spread the word around!

The team in the South welcomes any participation, suggestions and recommendations for promoting and enhancing fellowship and brotherly love.

If every brother reaches out to one member who has not attended Lodge for a while, we can easily boost our attendance and enhance our fellowship.
